

Directions to Bobcat Ranch Headquarters **25929 County Road 34, Winters, CA, 95694**

Google Maps – if you are familiar with using Google Maps, enter CA Audubon Bobcat Ranch to view the exact location of the Ranch Headquarters.

From Winters

Once off of I-505, follow Hwy 128 for approximately three miles past two stoplights. Turn right at Road 87 (just past the Berryessa Brewing Company). Follow Road 87, and continue as it takes a hard left and turns into Road 34 (you may not notice the sign). Continue on as the road turns to gravel, and drive for approximately 1 mile on the gravel road. You will pass several driveways; continue straight, and drive slowly (10 mph). Finally, you will pass through a green cattle gate entrance with an address posted on a wood board on your left (25578); hug the creek and continue, and you will reach the Bobcat Ranch entrance gate just beyond the big white barn. Continue through the gate, and leave it *exactly* as you found it. Continue another half mile or so past a large set of corrals on your right. You will see the Ranch Headquarters up ahead, and can park in the large clearing on the right.
